REPORT OF THE PRESIDENT submitted by E. B. Dubé

Since our last meeting, which was our Annual General Meeting, I am pleased to report that I have been re-elected as your President for another term. I would like to welcome all new Members of the Executive for the year 1992 and assure them that it will be a pleasure working with them.

We have a complex and challenging year ahead of us and there will be many obstacles facing us. However, if we work together and keep one another informed, we should be able to meet the challenges head on and diminish the obstacles. Congratulations to each and every one of you, I am pleased to serve as part of this team.

Brother Doherty and I attended another meeting at the Public Service Commission with the Executive Secretary of the National Component, Mr. L. Fucile to discuss once again the Exclusion Order and, at the same time, we registered our displeasure with the notice of competition which required a university degree for an AS position, and we mentioned that they could expect numerous grievances from Members. PS 2000 was supposed to enhance career advancement not make it more difficult !!

So begins another term of office - let's work together to make that difference. I will do my best to represent all of you during the coming year and would like to assure you that I shall have your best interests at heart.

Letters have been forwarded to Management and other Unions and Associations with a list of our new Executive and Committees. A copy of the Trustees' Report on the Solidarity Fund has been forwarded to the Executive Director of PAFSO, as promised, for purposes of accountability.

THANK YOU FOR YOUR SUPPORT, I SHALL BE WORKING FOR YOU !!!
