REPORT OF THE PRESIDENT Submitted by E. B. Dubé

Since our last monthly meeting, there has been an increase in activities in the Local. Grievances remain constant, appeals are on the increase and meetings to address the specific needs of distinct groups are taking place more frequently.

I attended another meeting with the Diplomatic Couriers and shall be attending yet another tomorrow to discuss with Management issues that are of concern to their group. Will also be attending a meeting with Brother Doherty, L. Fucile and Mary Ramsay to meet the new Head of Personnel at the Passport Office and discuss their organization and how they intend to proceed re Staff Relations, appeals, grievances, etc.

Everyone has been reading about reorganizations and everyone is wondering when the next shall be announced. I would ask all Members attending to keep us informed concerning any news they might overhear concerning changes and to pass on any info they deem important in their areas to the Executive so that we can keep a finger on the pulse of things to come.

**KEEP THE LINES OF COMMUNICATION OPEN AND
KEEP THE FAITH!!!**
